

Attention 4th Graders!

Ever wanted to play an instrument in band? NOW is your chance!

Monday, March 15th and Thursday, March 18th, Ted Brown will be visiting each 4th grade classroom to let YOU try out the instruments.

IMPORTANT: This session will NOT sign you up for band. Registration for band will be available during conference week (March 22-26).

IMPORTANT: Please wait to rent instruments until next fall. During the first week of school, there will be a rental night hosted by Ted Brown, where students will have another opportunity to try out instruments.

See You There!
